Eva Mats

Rubber Mats

✓ Benefits

- **Deep Cleaning Power** – Effectively removes dirt, sweat, and grime.
- **Hygienic Protection** – Kills bacteria, fungi, and germs for a healthier workout space.
- **Odor Neutralizer** – Keeps your gym smelling fresh by eliminating bad odors.
- **Non-Slip Formula** – Maintains the natural grip of rubber flooring, reducing slip hazards.
- **Floor Protection** – Extends the life of your rubber floors, preventing cracks and dullness.
- **Eco-Friendly & Safe** – Gentle, pH-neutral formula that is safe for people and equipment.

Gym Sanitizer (Surface & Equipment Safe)

Powerful disinfectant for machines, benches, dumbbells & yoga mats.

Kills 99.9% germs & odor-causing bacteria while being gentle on rubber and metal surfaces.

WHY CHOOSE SAFYON?

India's Trusted Brand for Complete Gym & Fitness Hygiene Solutions

At Safyon, we believe that a truly premium gym is defined not just by its equipment — but by its cleanliness, freshness, and safety.

- Every product and service we offer is designed with one mission:
- To keep your fitness space spotless, hygienic, and motivating — every single day.

1. Specialized Formulas, Not Generic Cleaners

- Our products are scientifically designed for gyms, yoga studios, and sports flooring — ensuring safety for rubber, metal, and vinyl surfaces.

2. All-in-One Gym Hygiene Partner

- From rubber flooring cleaners to equipment disinfectants, fresheners, and cleaning machines, Safyon provides a complete 360° solution under one brand.

3. Eco-Friendly & Non-Toxic Solutions

- Safyon products are biodegradable, human-safe, and environment-friendly, ensuring your gym stays clean without harmful chemicals.

4. Tested & Trusted by Gym Professionals

- Leading gyms and fitness centers across India trust Safyon for consistent results, quality, and cost-efficiency.

5. Advanced Technology & Research-Based Formulas

- Every product is developed using modern cleaning technology that provides maximum germ protection while preserving flooring and equipment life.

6. Nationwide Delivery & Support

- We supply across India with fast shipping, custom packaging, and bulk order discounts for fitness chains, studios, and distributors.

Safyon is not just a product brand — it's a cleaning partner.

Our team provides on-site cleaning services, training, and consultation to ensure your facility always looks its best.
