SAFYON STEAM **CLEANING MACHINE**

One Machine. Total Gym Cleaning.

Perfect for Gym Equipment Cleaning

- Gyms experience heavy usage, leading to sweat, bacteria buildup, and unpleasant odors. Safyon steam cleaner is designed specifically to handle:
- Dumbbells & weight plates (removes sweat & bacteria)
- Gym benches & upholstery (deep sanitation without damage)
- Cardio machines (safe cleaning for sensitive surfaces)
- Rubber & vinyl flooring (restores shine and hygiene)
- Mirrors & glass (streak-free finish)

The steam not only cleans but also kills germs and bacteria, making your gym safer for members.

WHY CHOOSE SAFYON?

India's Trusted Brand for Complete Gym & Fitness Hygiene Solutions

At Safyon, we believe that a truly premium gym is defined not just by its equipment — but by its cleanliness, freshness, and safety.

- Every product and service we offer is designed with one mission:
- To keep your fitness space spotless, hygienic, and motivating — every single day.

1. Specialized Formulas, Not Generic Cleaners

- Our products are scientifically designed for gyms, yoga studios, and sports flooring — ensuring safety for rubber, metal, and vinyl surfaces.

2. All-in-One Gym Hygiene Partner

- From rubber flooring cleaners to equipment disinfectants, fresheners, and cleaning machines, Safyon provides a complete 360° solution under one brand.

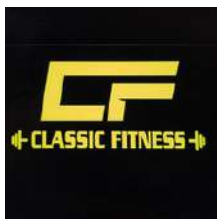

3. Eco-Friendly & Non-Toxic Solutions

- Safyon products are biodegradable, human-safe, and environment-friendly, ensuring your gym stays clean without harmful chemicals.

4. Tested & Trusted by Gym Professionals

- Leading gyms and fitness centers across India trust Safyon for consistent results, quality, and cost-efficiency.
